Abstract:

The Hail Hunter is a thick vehicle cover designed to protect vehicles against hail damage. The cover is six inches thick of vinyl which is made to order to fit your vehicle. The cover is simply placed over the vehicle for protection. The adjustable straps are fastened to hold the cover into place. Can easily be cleaned with soap and water and is very durable. Thickness for protection is a new concept based on the older thin car covers. Thicker car covers for better car protection.
